ORDER

APPROVING MODIFICATION OF CODE OF FAIR COMPETITION FOR THE  
CLAY AND SHALE ROOFING TILE INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for the approval of a modification to a Code of Fair Competition for the Clay and Shale Roofing Tile Industry, an opportunity to be heard having been duly afforded all interested parties and the annexed report on said modification, containing findings with respect thereto, having been made and directed to the President:

HUGH S. JOHNSON,  
*Administrator for Industrial Recovery.*

Approval recommended:

*Division Administrator.*

WASHINGTON, D.C.,

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: Under the Code of Fair Competition for the Clay and Shale Roofing Tile Industry, as approved on April 6, 1934, the Code Authority has submitted a modification to Article VI, Sections 8, 8-A, and 8-B, designed to empower the Code Authority to collect assessments from all members of the Industry to provide for the expenses of administering the Code. Under this modification, payment of such assessments will not be mandatory until the Code Authority has submitted and has had approved by the Administrator, a budget and plan of assessment. A provision of the modification forbids the Code Authority from making expenditures in excess of their approved budget. These provisions replace the former provisions for supporting the Code Authority through voluntary payments.

### FINDINGS

The Deputy Administrator in his final report to me on said modification to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The modification of said Code and the Code as modified are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

The Code as modified complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid modification on behalf of the Industry as a whole.

(d) The modification and the Code as modified are not designed to and will not permit monopolies or monopolistic practices.

(e) The modification and the Code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

For these reasons, therefore, I have approved this modification.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

JULY 17, 1934.

## MODIFICATION TO CODE OF FAIR COMPETITION FOR THE CLAY AND SHALE ROOFING TILE INDUSTRY

### MODIFICATION

Modify Article VI, by deleting Section 8 and substituting in lieu thereof the following:

SECTION 8. It being found necessary in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

a. To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;

b. To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the industry.

c. After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contribution as above set forth by all members of the industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

SECTION 8-A. Each member of the industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the industry complying with the Code and contributing to the expenses of its administration as hereinabove provided, unless duly exempted from making such contributions, shall be entitled to participate in the selection of members of the Code Authority or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

SECTION 8-B. The Code Authority shall neither incur nor pay any obligation in excess of the amount thereof as estimated in its approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.
